THE YACHT

A designer dream, this 2007 Alalunga built yacht is a masterclass in chic and minimalist luxury.

With a cruising speed of 26 knots and expansive decks, Aimilia is the perfect craft for exploring secluded locations off the beaten track.

The tone is set in the contemporary and comfortable salon, which is accentuated by clean lines and a soothing colour scheme. A dedicated formal dining area is adjacent.

The exterior places an emphasis on casual yet elegant relaxation, with natural materials like wood and rattan dominating; it's an area where informal dining with family and friends and lounging on oversized daybeds are the order of the day.

Aimilia sleeps 10 with a cabin configuration of master, VIP and two convertible twins each with pullman berths. Water toys include a Sea Doo jet ski, water skis, wakeboard and SUP.
