“The level of professionalism the crew has demonstrated thought this charter has been of the highest standard, whilst at the same time they managed to maintain a friendly atmosphere which made all the difference.”

THE YACHT

Built in 1998, this sleek 50 metre Benetti craft exudes elegance and style. A comprehensive interior/exterior refit last year was jointly curated by Zuretti and luxury projects and naval architect Stefano Natucci.

Light, airy contemporary interiors are complemented by classic dark wood accents to particularly good effect in the salon while an Art Deco style chandelier adds panache to the formal dining area.

Akira One can accommodate 12 guests across six cabins – an owner's stateroom, two VIP cabins each boasting a jacuzzi, one double and two twins (one with a pullman berth). The generous owner's quarters feature a classical luxe marble en suite with a nod to another era.

With a cruising speed of 14 knots, low fuel consumption and a stunning sun deck with jacuzzi, bbq and panoramic lounging area, Akira One promises unbeatable comfort, class and relaxation.
