- Fully shaded fly bridge
- Available for static charters, maximum 40 guests for cocktails
- Eco-friendly lifestyle by undertaken the crew
- Permanent Captain George – very accommodating crew, excellent chef Vasilis Vasiliadis onboard

“ We immediately felt like Atalanti was our home and the crew our Greek family. Captain George was a perfect blend of professionalism and fun too. Chef kept us all in the most fabulous tastes of culinary delights. Thank you all for this once in a life time experience! ”

THE YACHT

This sleek and racy 29.34 metre Guy Couach craft was built in 2004 and refitted to an exacting standard in 2017.

Featuring a sun deck jacuzzi, 15 metre square swimming platform and fully shaded fly bridge, Atalanti goes over and above when it comes to blending comfort with an innate sense of style.

A timelessly chic interior features a light-flooded salon with warm wood accents throughout and a formal dining area as well as a bar. Toys include a wave runner, two person kayak, wakeboards, SeaBob, water skis, SUP and a doughnut.

Sleeping 10, the spacious and well-appointed en suite cabins comprise a master, double and two twins each with a pullman berth.

Eco-friendly in attitude with a dedicated crew of five, Atalanti also offers static charters with a maximum of 40 guests for cocktail events.
