

# BAGHEERA 36.57m / 120'

## SPECIAL FEATURES

- Infinity pool jacuzzi overlooking the swimming platform
- Fast, efficient and stable yacht
- 'Go anywhere' type allows her to quickly reach incredible destinations
- Able to explore secluded bays, coves and remote islands

“The only Palmer Johnson 120' with an infinity pool jacuzzi on the aft deck overlooking the swimming platform. Fast, efficient and stable yacht which delivers an adrenaline-fuelled and luxury charter vacation.”

## THE YACHT

The stunning 36 metre Bagheera, launched in 2005 by Palmer Johnson and formally known as Lucy II, has been recently refitted and is on deck to be the next star of the charter market. Designed by Nuvolari Lenard, her interior offers sweeping light and striking open spaces created by grand windows and sliding glass doors

Perfectly curated to entertain as well as enjoy some peace and quiet, Bagheera can welcome up to nine guests in four cabins, including an impressive full beam master and not one but two VIP suites.

Outdoor spaces have been carefully designed for sunbathing and socialising in complete privacy, whether you are enjoying the lush couches or the infinity pool. With her 2 MTU engines and a top speed of 28 knots, Bagheera can take you anywhere you want to go, and fast. A true rockstar of a yacht with a sophisticated edge, she is sure to live up to her name.
