

CAN'T REMEMBER 35.60m / 116' 10"

SPECIAL FEATURES

- Fully refitted in 2018, including renovation of sun decks
- Kosher friendly environment (certified captain and crew by the Greek Rabbi)
- Comfortable dining table on the upper deck for 22 guests
- Wide range of water toys

“So special to be with the whole family and to be looked after for so well by the fantastic crew. It is a real rest for me and for all of us, when the next delicious meal magically appears and all requests are kindly dealt with. I know the captain put in a lot of hard work in the background to make this all possible and that doesn't go unnoticed. We are very grateful to you all!”

THE YACHT

You will have no trouble recalling your experience aboard this classy 2004 built 35.6 metre Tecnomar yacht, which benefitted from a full refit and sun deck renovation in 2016.

Her USPs include sun deck dining for up to 22 guests with Kosher friendly catering in place. Minimalist and cool interiors comprise a sleek, club style salon, cosy circular formal dining and contemporary staterooms sleeping 12 guests across five en suite cabins – master, VIP, double with a pullman and two twins each with a pullman which converts into queen size double beds. A sixth cabin/playroom is available with upper/lower berths sharing a w.c. with another cabin.

Her dynamic crew of six is overseen by Captain George Parissis and her 20 knot cruising speed and wide range of water toys will ensure a magnificent and truly memorable holiday in the company of a highly efficient and friendly team.
