- Sun deck jacuzzi, ideal to enjoy the sun, relax and admire the scenery
- Best value for money for a five cabin yacht
- Experienced and skilled Captain Kostantinos

“It is difficult to say in words how much this voyage meant to us. The entire trip was amazing because of you all! From the food and the drinks to the care and attention you gave to our safety, you shone in everything you did. Thank you for becoming part of our family. We wish you safe and enjoyable journeys always and we will think of you often on winter days.”

THE YACHT

Built in Turkey by Giant in 2004 and refitted in 2011, the 30.25 metre Dream B is indeed the stuff of fantasy.

A light and airy salon is the last word in elegance, with a neutral colour scheme designed to calm the senses which extends to an intimate club-style dining area.

Her unique wow factor is a three-level master cabin with an open balustrade leading down to a well appointed dressing room. Below this, you can find an impressively generous en suite, complete with circular jacuzzi bath and shower.

Three further doubles and one twin make this 10 berth yacht an obvious choice for avid cruisers.

Boasting a sun deck jacuzzi, ideally placed to watch the sunset with an aperitif in hand, and nautically inspired navy deck furnishings, you will relax from the moment you step on board.
