CAPTAIN ALDON BEUKMAN

Captain Aldon Beukman grew up in the fishing village of Yzerfontein on South Africa's west coast. Spending time at his family beach

shack imbued in Aldon a deep respect for the sea and his ocean career began as a commercial fisherman. He made the move into yachting in 2007 and worked his way up through the ranks. Aldon oversaw the 2020 refit of Eternity and his easy charm and natural leadership have created a relaxed yet high performing crew environment.

THE EXPERIENCE

Eternity strikes the optimum balance between hedonistic relaxation, soulful recharging and energising activity, meaning there's something to suit everyone on board.

Her expansive deck areas abound but it's the cool semicircle sun deck bar with swivel stools and large screen TV which is sure to become a favourite spot to take in a movie, the latest Netflix box set or some sporting action.

The décor sings with tonal neutrals, geometric patterns and nautical stripes, creating a calm yet mindful and uplifting environment perfect for reading, tanning and enjoying al fresco meals with loved ones.

A spacious lounge studded with colourful contemporary artworks also offers a separate media area as well as a bar, and access between decks is via a four-person elevator.

Meanwhile, the sun deck offers cocooning daybeds and for the more active members of the party, there's simply no reason not to stay in shape while on board thanks to an adjacent gym area equipped with yoga mats and a punch bag.

Just beyond is an extensive range of water toys destined to keep all ages happy, especially the younger guests, who will also adore the inflatable swim platform extension and 5.25m foredeck jacuzzi, which cleverly doubles up as an exercise/resistance pool.

ISLAND TIME AND REEL TIME

Eternity operates alongside two in-tandem charter vessels, the largest of which is the 16.15m Island Time. A large centre console yacht with a sophisticated design to perfectly balance both speed and comfort, guests can relax on its forward-facing lounger, or around bow seats and table that convert to a large sun pad for lazy days catching rays. The cushions can also be removed for a fully-functional fishing platform.

Island Time also boasts a luxurious cabin with queensized berth, storage galore, and separate head/shower compartment making it the perfect place for airconditioned comfort on hot days, as well as longer trips with overnight stays.

At 15.24m and carrying up to twelve guests, Reel Time is the ultimate performance fishing yacht, delivering unparalleled sport fishing opportunities in some of the best fishing grounds in the Bahamas. With a knowledgeable and local charter crew and skilled fishing captain, there's nothing quite like taking her out on a successful trip and delivering that evening's fresh catch of the day back for your chef to prepare for a delicious meal on board.

Both Island Time and Reel Time are available at an additional cost.
