THE YACHT

Built by Cantieri Di Pisa in 2005, the sporty looking Kintaro was stylishly refitted in 2014 and at 38 metres, is one of the few yachts in her size to offer a six cabin layout.

A boutique hotel inspired salon will appeal to minimalists, with colourful cushions providing a fun contrast to her chic white and pale wood interior, while a convertible cabin transforms effortlessly into a cosy games room.

Accommodating 12 guests across six cabins – one master, three VIPs and two twin cabins each with a pullman – all staterooms are en suite.

Kintaro possesses an impeccable ambience that is best described as casually elegant.

Her crew of seven is led by the experienced Captain Panagiotis Chouliaras and her impressive cruising speed of 20 knots makes her the perfect yacht for memorable fun times en famille.
