THE YACHT

A creation of the Canadian shipyard, Rayburn Custom Yachts, Lady Victory has been turning heads since her launch in 2004 and even more so since her recent refit in 2019. Based exclusively in the US and Bahamas, with her mystic blue hull and classic exterior styling by Hage-Marine, this stylish little 27 metre yacht manages to strike a winning balance between timeless luxury and old school style.

The interior, which can sleep up to eight guests in four spacious cabins, was decorated by Elegant Quarters and features luscious mahogany woods and inlays, as well as panoramic windows which give way to stunning views and add to the already impressive volumes.

Above the main deck, guests can almost certainly be found gathering on the massive flybridge where Lady Victory can offer al fresco dining, a wet bar, sun beds and jacuzzi.
