“Thank you to the captain and all the crew of Legend for taking care of every little detail of our trip. The service on board was unbelievably good and you made us feel very welcome, comfortable and relaxed during the charter.”

## THE YACHT

This family style 21.33 metre yacht delivers a heady combination of indulgence, practicality and glamour, perfect for a break with extended family or friends.

Built in 2006 by Uniesse Marine, Legend underwent an extensive refit in 2020, with elevated levels of comfort and luxury coming into play in her spacious and fresh interior.

A deep carpeted salon incorporates banquette style dining while the exterior decks offer relaxed and laidback dining on the aft and lounging on the fore.

Four cabins sleep up to nine guests across a master, VIP, double and twin, all with en suite facilities.

Legend has a silent and fast cruising speed of 23 knots – rising to a maximum of 31 knots – and will thrill watersports enthusiasts with a wide selection of toys including a Sea Doo jet ski, two SeaBobs and an inflatable two person canoe.
