THE YACHT

At 30.7 metres, this Falcon built superyacht is a firm favourite with families due to her highly child-friendly crew of six.

Conceived in 2002, she was refitted in 2016 with great attention to detail, ensuring that Martina exudes tranquillity and sophistication without forgoing comfort and intimacy.

Choose between convivial dining on deck, soaking up the rays on the sun deck, relaxed evenings in the salon/dining zone and fun galore on the kayaks, scooter, paddleboards and inflatables.

Sleeping between 10 and 12 guests, the five cabins include a double stateroom with characterful eaves-style ceiling as well as a master, VIP and two twin cabins with pullmans, all individually styled with panache and originality. The versatile twin cabins can also convert into doubles if required and all staterooms are en suite.
