### CAPTAIN DIAMANTIS PAPAGEORGIOY

Captain Diamantis Papageorgioy is a bit of a legend among Greek seafarers. He graduated first in

his class from the Marine Academy and captained tugboats in the Greek Navy before turning his talents towards the yachting industry.

In 2016-17 he was named Lloyd's 'Seafarer of the Year' for his professionalism and expertise. Now at the helm of O'Pari, Captain Diamantis is ready to share that expertise with his guests, showing them the secret sites he has discovered over the years and inviting them on an unforgettable voyage.

## THE EXPERIENCE

O'Pari is a yacht that offers a little something for everyone. Her ample space and superb contemporary decoration give an immediate feeling of calm and luxury. Exotic marble walls contrast with sleek wooden floors, allowing guests to breathe a sigh of relief when they step on board.

The upper deck plays host to an impressive owner's suite complete with its own salon. In total, O'Pari offers 14 guest cabins, including a master, a VIP and two staff rooms on the lower deck.

A full gym and spa including a massage room, a Turkish hammam and a Finnish sauna are sure to delight those seeking ultimate relaxation. For others in the mood for more of a party, the open plan sun deck offers a full bar, a DJ booth and plenty of space to dance the night away while taking in the panoramic views. A touch and go helipad on the upper deck adds the final touch of prestige to this incredible vessel.

Venture down to the lower deck and you'll find that O'Pari has even more to offer. Several tenders are ready and waiting, whether you are looking for a smooth ride into port or a beach landing for a barbecue.

SeaBobs, Seadoos and inflatable jungle gyms and infinity pools are just a few of the treats O'Pari has in store.

## THE CUISINE

### CHEF DIANOPLAKIS IOANNIS

The phenomenal cuisine on board O'Pari is courtesy of Chef Dianoplakis Ioannis. After honing his skills in events and luxury hotels, his inspiration and idols are diverse, including icons Alain Ducasse, Albert Adria, and Massimo Bottera. A renowned Greek chef named Constantinos Vasalos also took him under his wing and taught him the most valuable lessons in life and cooking.

Chef Dianoplakis, a highly creative and emotional chef, became frustrated by the necessary office hours and decided to spend more time inventing in the kitchen. This was the drive that led him to the yachting industry, where he found an ever-changing creative outlet, and the constant challenges of clients' desires that make a true chef evolve and grow.

Utilising local suppliers and the freshest seasonal ingredients, chef Dianoplakis is obviously influenced by his Greek roots, but his cuisine is diverse and he confidently pleases any picky palate. He describes his style as a fusion of Mediterranean with Middle Eastern spices and Japanese marinades. For him, the best part of the job is that moment after service when his guests are happy and he can feel that everything went well.
