“ Thank you all for a truly amazing experience! Your hospitality is beyond compare and your knowledge on the Greek waters and winds is outstanding! It was a dream trip and we already thinking about chartering O'Pati again! ”

THE YACHT

If you're in search of a sporty and sleek escape that wouldn't look out of place in a Bond movie, O'Pati ticks all the boxes.

Built in 2011 and renovated in 2018, this 39.5 metre chic black superyacht has a cruising speed of 22 knots and an eight-strong crew. She sleeps 12.

Her exterior is characterised by a striking charcoal grey and cream soft furnishing colour scheme which contrasts beautifully with a softer neutral interior palate incorporating fine woods, leather and stunning textiles.

Wow factors include a glass ceiling in the salon while all five staterooms – comprising one master, two doubles and two twins with a pullman berth in each – exhibit clean, minimalist lines along with clever storage solutions.

It's no surprise to discover that O'Pati won Best Power Yacht in its class at the 2012 ISS Awards.
