THE EXPERIENCE

Unique qualities which set Ocean Club apart from other charters abound. Sleeping 12 across five staterooms, her chief wow factor is the state-of-the-art split level master stateroom on the main deck with a raised observation lounge offering 270 degree views. The king-size bed occupies the lower level of this suite and there are his and hers bathrooms

with shower (his) and jacuzzi tub (hers) as well as ample closet space.

Below, you will find four further guest staterooms offering highly versatile sleeping arrangements; three king staterooms - one of which also has a pullman berth – and a twin which can convert into a queen and also features a pullman. Each en suite cabin is equipped with HD TV, Kaleidescape movie/entertainment system and Crestron controls.

Gym bunnies will love the fitness zone, which offers a treadmill, Pelaton bike, free weights and yoga mats while toys include waverunners, SeaBobs, lift e-foils, paddle boards, kayaks, GO electric bikes, a wakeskate, kite surfing rig and water skis as well as fishing and spear fishing gear.

In keeping with the yacht's title, you will feel like you are part of an exclusive society when dining on board. Attention to detail and high levels of service extend to the myriad selection of menus and catering options available.

The cuisine

You'll be welcomed on board with delicious snacks including sweet potato bites filled with curry chicken salad and roasted peppers, tropical scallop ceviche and coconut rum marinated shrimp before embarking on an exquisite culinary journey which will take you to all four corners of the globe.

Fresh baked bread and pastries, eggs cooked to order, lemon ricotta pancakes and fruit smoothies will set you up for the morning while lunch service encompasses divine dishes like green papaya salad with sweet lime and chilli dressing, ahi poke bowls, pan seared halibut with pasta and lemon broth, crispy honey glazed salmon with southwest slaw and caprese salad.

Cocktail hour hors d'oeuvres include smoked cod rillette on sourdough, lobster salad cucumber boats, carrot and parsnip fries with lemon tahini, paella arancini and watermelon gazpacho.

Dinner steps things up to yet another level; seared ahi tuna, duck breast served with pulled smoked duck, cod fillet with butternut squash puree, chorizo and caramelised onions, caviar tart, spiced lamb loin and black and blue wagyu are set to impress before choosing from delectable desserts like frozen strawberry mousse, churros, nectarine tart with spiced Grand Marnier cream, grilled pineapple flowers and tropical pavlova.

Further dining options are available on the sky lounge aft deck, which caters for 12, and the sun deck, which boasts a dining area beneath the arch as well as a seven person jacuzzi, expansive seating and a shaded bar. The Portuguese bridge provides an alternative sun lounging area with truly breathtaking views.
