THE YACHT

Built and designed by the Turkish yacht builder Tansu Yachts in 2011, Preference 19 is one of the first in a fleet of robust superyachts by visionary yachtman Riza Tansu.

The shipyard's generations of knowledge in wooden and metal yacht building together with Tansu's keen design eye and love of simplistic, minimalist design elements have resulted in a sophisticated balance between old

school values and a highly modern style that makes a Tansu yacht unmistakably a Tansu.

Measuring 36.4 metres, she has a beam of 7.2 metres, a draft of 2.2 metres and a volume of 225 GT. With her zero-speed stabilisers and a range of 3,200 nm at a speed of 12 knots, Preference 19 fully lives up to her retro utilitarian exterior look.

Led by Captain James Box, the crew enjoyed their first charter season in 2019 in the eastern and western Mediterranean, had a very successful 2020 season in Croatia and are a fully-fledged dream team when it comes to taking guests out on the water.

"We pride ourselves on being able to cater to all of our guests' requirements," says Captain Box. "From elegant cocktail parties to a birthday blowout with a full band, DJ and acrobatic displays. You name it, we'll give it a go!"

THE EXPERIENCE

With a new watersports setup, liveable outdoor areas, laid-back interiors and a dedicated crew with you every step of the way, Preference 19 leaves the pretenders in her wake as you cruise off into the sunset on your hunt for new cruising grounds.

With its smart layout and emphasis on proper outdoor living, Preference 19 has been described as an 'instant home away from home' and has quickly proven herself as one of the finest charter yachts in her size range.

Life on board is all about authentic experiences with those closest to you as you settle into any of the many exterior social areas or beach villa-inspired interior areas. Preference 19 invites you to slip off your shoes, unpack the daily stresses of life and to once again experience the simple joys of life.

"Preference 19 is a charter yacht well equipped to deliver on every guest need," elaborates Captain Box. "In addition to our entertainment areas, we also have fitness equipment including yoga mats, TRX, weights, kettlebells and sparring equipment, including a punching bag. The aft deck can also serve as a basketball court, although you will need to go for a swim if you miss!"

THE CUISINE

CHEF EMMA PROSSER

With a passion for local produce and seasonal flavours, guests can rest assured that they are in good hands with British Chef Emma Prosser. And with the finest ingredients from the eastern and western Mediterranean right on its doorstep, you are guaranteed that the menu on board a Preference 19 charter experience will be an impressive combination of all three.

Working in close cooperation with the interior crew, Emma specialises in creating fantastic menus to suit every guest's taste. From low-key buffets for a relaxed family evening to impressive multi-course menus for an unforgettable al fresco dining experience, each meal is a five star occasion.

"I have quite a diverse repertoire," says Emma. "I love Thai flavours, so my personal favourite dish is the roast duck gaeng panang. It's spicy, sweet and has all of the richness of the duck – it's delicious!"

Aside from delivering exemplary family meals, Preference 19 is also a yacht that knows how to entertain. The chef, in collaboration with the experienced crew, is always on hand to think creatively with her team to create exceptional moments at sea.
