THE YACHT

Decked out in sultry blues, dark woods, and modern art, Rarity has a style all her own that never ceases to wow guests and keep them coming back. Custom built in 2008 by Rossinavi and completely refitted in 2017, she strikes a perfect balance between comfort and luxury and seems to be made for entertaining. The exterior was drawn by Officina Italiana, while the interior design is the work of the talented Cristiano Gatto, who was able to create impressive volumes and stunning light all throughout the vessel. She can welcome up to 12 guests and has 12 crew members as well, to be certain that no need is left unattended. A fully equipped gym, numerous water toys, and a 220 inch cinema are on hand, as well as an elevator to whisk you off to one of the six luxurious cabins when the day is done.
