“ We cannot thank the crew enough for such a fantastic week. Our gratitude is boundless. We'd definitely like to charter Thea Malta again next summer. ”

## THE YACHT

A minimalist, contemporary theme extends inside and out on this Azimut 26.5 metre superyacht, which was built in 2008.

From her unusual hull colour through to the warm, earthy, welcoming tones of interior decor, Thea Malta is sure to impress all who stay on her.

Chief among her attributes is a phenomenal top speed of 42 knots, making her the perfect craft for rapidly covering a wide cruising area.

With plenty of deck space for sunbathing or lounging, playing board games or simply admiring the stunning scenery with a drink in hand, your most pressing decision is what to do first.

Four cosy and stylish en suite staterooms sleep eight, comprising a master, VIP, twin and semi double.

Possessing all the ingredients for the ultimate vacation, you will want for nothing thanks to her attentive four-strong crew.
