THE YACHT

This voluminous, luxurious and classically designed 52 metre yacht was built in 2007 by Golden Yachts and refitted in 2020 to an exacting standard.

With a capacity for 12 guests, a cruising speed of 15 knots and a crew of 11, Vertigo's clean minimalist lines and tasteful renovation will appeal to the most discerning yacht aficionados.

Her large swimming platform is a mere step away from the water, making her the perfect craft from which to launch many ocean going adventures and explorations in the surrounding crystal clear waters, while the jacuzzi offers an idyllic spot in which to relax at any time of the day or evening.

Indeed, Vertigo's versatility knows no bounds, and her upper deck tables can cleverly convert to a bar where sundowners are the perfect preamble to a gorgeous evening filled with fun and frivolity.
