## the gulet

Measuring 32 metres and sleeping up to twelve guests, Sema Tuana is a modern gulet that will see you sailing the beautiful Turkish coastline in the utmost style. The yacht is tastefully designed with a traditional style across the two master cabins, two doubles and two twins, all with private en suite.

Social areas are kept light and airy, with the expansive salon providing glistening views of the ocean. Those

who prefer to be outdoors can relax on the cushioned sundeck, while a whole host of water toys – including water skis, jet ski, paddleboard and more – will keep guests of all ages entertained. You'll be in the best of hands with Sema Tuana's six crew members, so sit back, relax and enjoy the ride!
